**Day 1 Puerto Varas / Las Juntas**

We drive down the scenic coastal road that will take us to the town of Cochamo located by the Reloncavi Estuary, the first Fjord of Patagonia. Here we will meet with the local guide (arriero) to load the horses that are going to carry all our gear. Hike up the valley covered with rainforest and amazing views of granite walls. We will go around the Juntas Valley, with the ones who still have energy.
